FEATURED WORKSHOP LEADERS

Bishop Robert Schnase of the Missouri Conference of the United Methodist Church and author of *Five Practices of Fruitful Congregations*. His approach is decidedly different, if not radical in the 21st Century way. His theology is mainstream, but he has found a clear, identifiable way to frame what churches and their followers must practice to become fruitful: Radical Hospitality, Passionate Worship, Intentional Faith Development, Risk-taking Mission and Service, and Extravagant Generosity.
